

MFF Capital Investments Limited Shareholder Briefing

- results for half year to 31 December 2024
- acquisition of Montaka Global Investments

Ms Annabelle Chaplain | MFF Chairman

10 February 2025

Important Information

Slides 1 - 8 and 32 - 33 of this presentation (the "**MFF Slides**") have been prepared by MFF Capital Investments Limited ABN 32 121 977 884 ('MFF').

While the information in the MFF Slides has been prepared in good faith and with reasonable care, no representation or warranty, express or implied, is made as to the accuracy, adequacy or reliability of any statements, estimates, opinions or other information contained in the MFF Slides.

The MFF Slides may contain forward looking statements. These forward-looking statements have been made based upon MFF's expectations and beliefs concerning future developments and their potential effect upon MFF and are subject to risks and uncertainty which are, in many instances, beyond MFF's control. No assurance is given that future developments will be in accordance with MFF's expectations. Actual results could differ materially from those expected by MFF.

The MFF Slides do not constitute an offer to sell or a solicitation of an offer to purchase any security or financial product or service. Any such offer or solicitation shall be made only pursuant to a Product Disclosure Statement, Information Memorandum, Prospectus or other offer document relating to a financial product or service.

Past performance is not necessarily indicative of future results and no person guarantees the performance of any financial product or service or the amount or timing of any return from it. There can be no assurance that the financial product or service will achieve any targeted returns, that asset allocations will be met or that the financial product or service will be able to implement its investment strategy and investment approach or achieve its investment objective.

The information contained in the MFF Slides is not intended to be relied upon as advice to investors or potential investors, who should consider seeking independent professional advice depending upon their specific investment objectives, financial situation or particular needs. MFF does not offer financial advice in any form whatsoever, expressly or implied. To the extent anyone attempts to imply general financial product advice is contained in this presentation, it is by MFF as a corporate authorised representative of Magellan Asset Management Limited ABN 31 120 593 946 AFSL 304 301

MFF Chairman's Remarks

Annabelle Chaplain

Chairman's remarks

- Introduction
- Montaka acquisition strategic rationale
- Risk Management
- Future Growth

	1,841.7			43.1	442.0		337.8			

¹ Figures are rounded, approximate and not audited.

² Net Profit/(Loss) After Income Tax Expense divided by opening statutory net assets.

³ At declaration date, dividends include DRP/BSP. All dividends fully franked except 2017 interim (1 cent per share franked to 85%).

⁴ Dividends Declared divided by opening statutory net assets.

⁵ MFF was not required to pay performance fees to Magellan from 31 December 2019. MFF also does not pay cash or other incentives or grant any stock awards to staff or board members.

⁶ Expenses (excluding Income tax and Interest) divided by opening statutory net assets.

⁷ Six month period ended 31 December 2024 (not annualised). December results are reviewed not audited.

⁸ During the period ended 31 December 2024, the Company did not purchase on-market, and cancel, any ordinary shares.

⁹ The proposed interim dividend is based on the number of shares on issue at 31 December 2024.

All holdings in the portfolio as at 31 January 2025

KKR Case Study

Amit Nath (Director of Research)

KKR is a compelling investment opportunity

Summary Thesis

Market Transformation

- ▶ Alternative assets are a massive \$13tn market with allocations rising quickly, but still represent a small fraction of traditional assets.

Long-Term Winner

- ▶ KKR is a leading alternative asset manager capturing an outsized share of the market driven by a ‘flywheel’ effect.

Outsized Returns

- ▶ KKR’s current share price underappreciates the enormous value being created with multiples of upside in future.
- ▶ KKR’s substantial \$25b balance sheet investments provide another lever for long-term value creation.

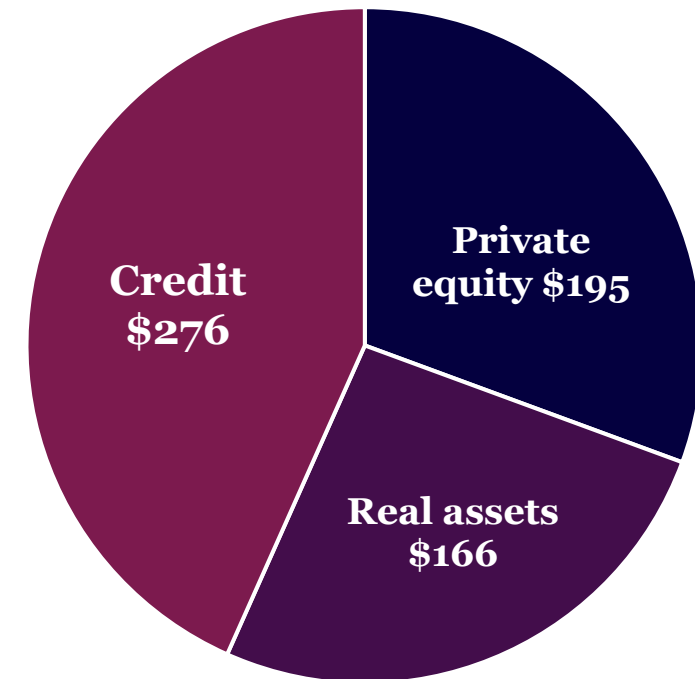

KKR is a world-leading alts manager

Overview

- ▶ One of the world's largest alternative asset managers
- ▶ Over \$600 billion in assets under management across diverse range of asset classes, sectors and geographies
- ▶ Strategic balance sheet investments of \$25 billion
- ▶ Founded in 1976 by Jerome Kohlberg, Henry Kravis & George Roberts; pioneered the 'LBO' in 1988
- ▶ Ticker: KKR; market cap \$137 billion

AUM by asset class

Private wealth is particularly underpenetrated

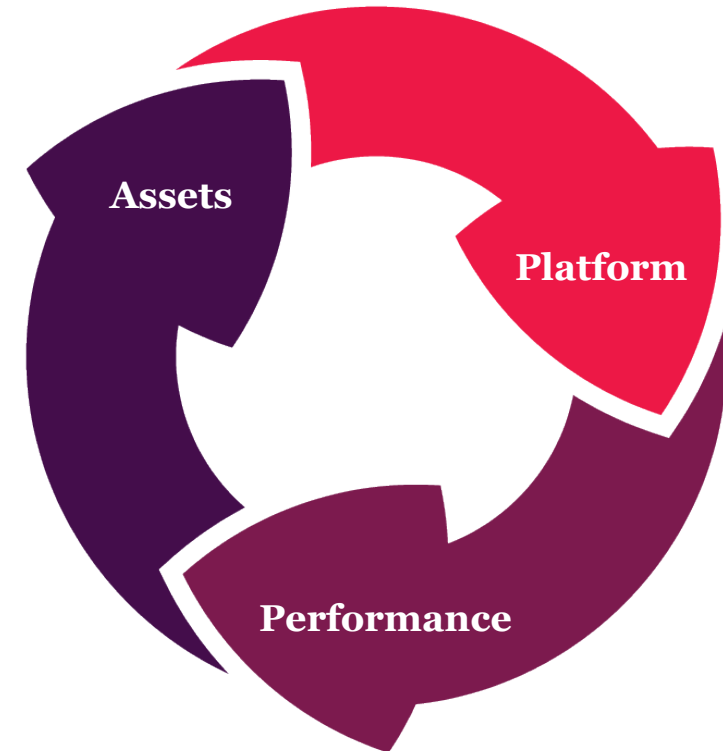

Winners keep on winning

Private market AUM by alt asset manager

'Power law' in alt asset management

Flywheel of success in alt assets

Competitive advantages compound over time

KKR's stock has outstanding long-term upside

Share value upside over next decade

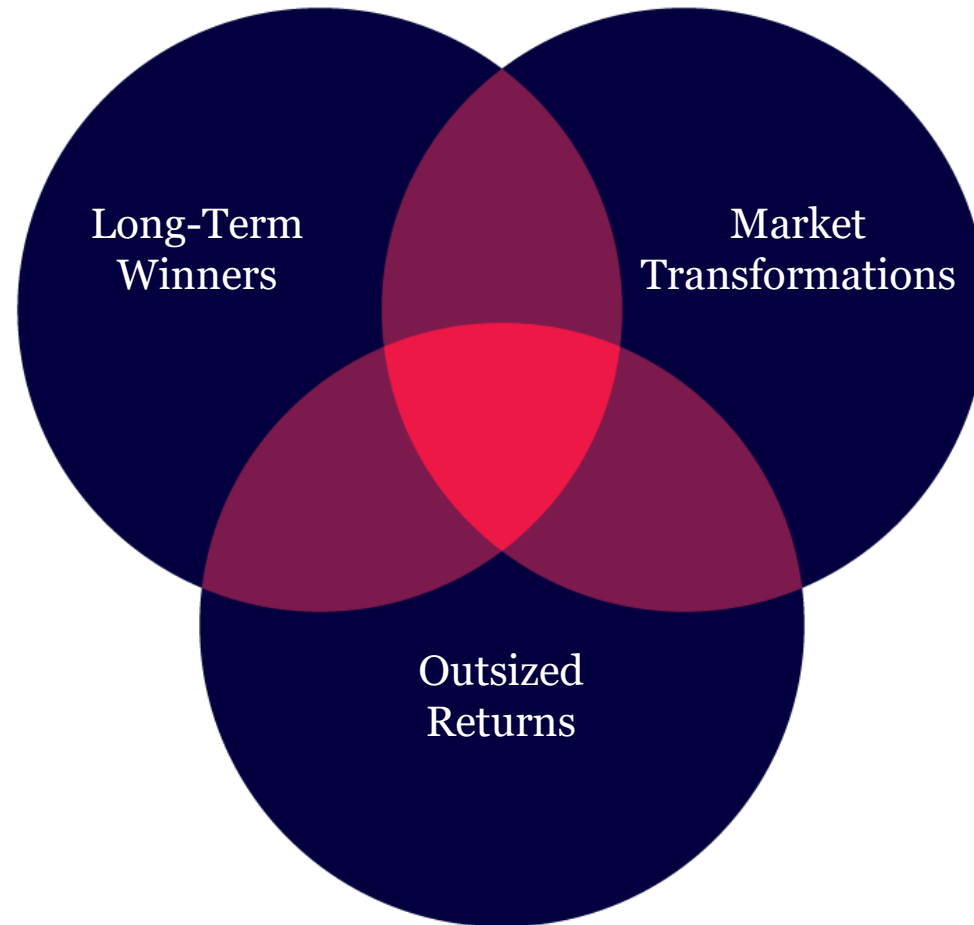

Multiples of current price and mid-teens returns

Philosophy and Process

Andy Macken (Chief Investment Officer)

We focus on the long-term outperformers

Montaka's investment formula is to identify top performing global equities opportunities

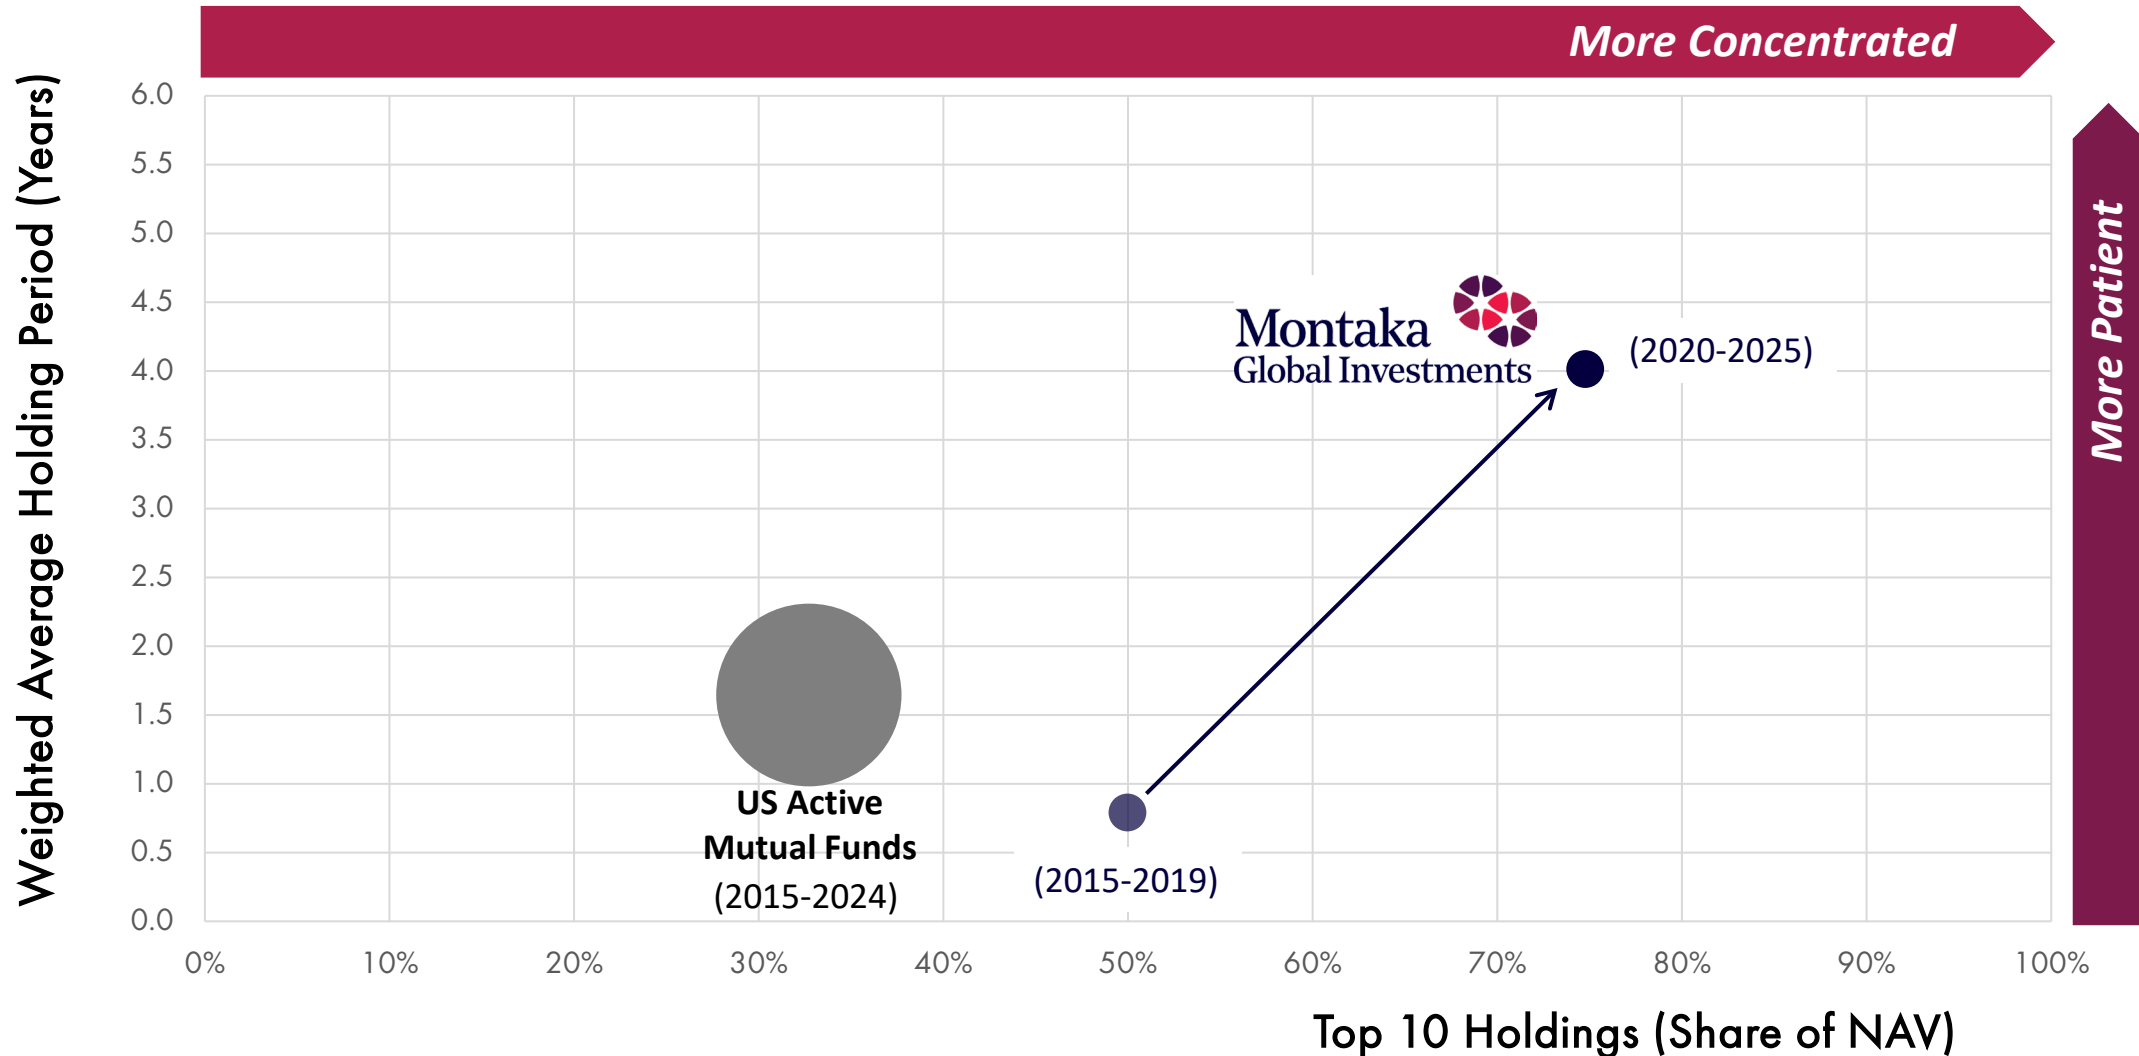

We own business advantages in AI, not technology

Montaka-assessed competitive advantage by company

	Alphabet	amazon	Meta	Microsoft	salesforce	servicenow.	Spotify
Captive distribution channel	✓	✓	✓	✓	✓	✓	✓
Privileged datasets	✓	✓	✓	✓	✓	✓	✓
Scale in compute	✓	✓	✓	✓			

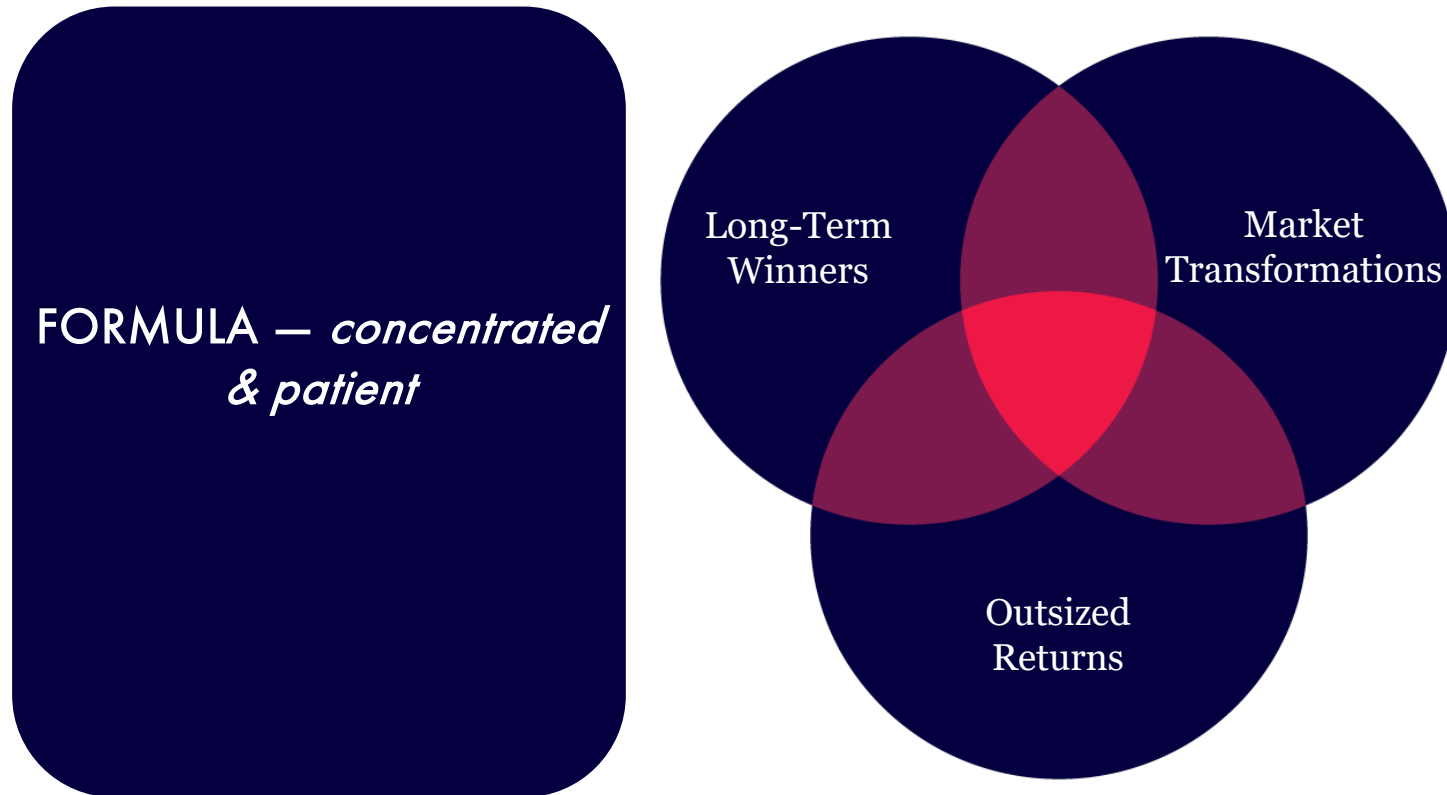

Our portfolio is concentrated and patient

Note: Based on the average of U.S.-domiciled large cap mutual funds. Numbers rounded based on approximate ranges over ~5yr periods. Montaka metrics from Montaka Global Long Only Fund.

Our portfolio is underpinned by our structure and culture

CULTURE — *required to execute the Formula*

STRUCTURE — *required to enable the Culture*

Appendix

How Montaka works with MFF

Shared philosophy and process

- ▶ Confidence
- ▶ Demonstrated success
- ▶ MFF reputation on the line

Independent portfolio and research

- ▶ Expanded opportunity set (6 of Montaka top 10 not held by MFF)
- ▶ Some portfolio overlap (35%)
- ▶ Low concentration risk

Easy and efficient access

- ▶ ASX-listed unit trusts (MOGL, MKAX)
- ▶ Open-ended 'unlimited' liquidity
- ▶ Trade at/around NTA
- ▶ Tax efficient
