Strategic Partnership

Strategic Partnership Overview

- Strategic partnership with Vinva Investment Management (“Vinva”)
- Magellan to distribute Vinva’s systematic equity products globally (excluding Australian institutional clients)
 - Commercial fee sharing arrangements on flows into Vinva products
- Magellan has acquired a long-term 29.5% minority equity stake in Vinva’s parent entity, Vinva Holdings Limited, for cash consideration of \$138.5 million
 - Magellan is downside protected with a preferred dividend in the first two financial years
- Magellan Executive Chairman, Andrew Formica, to join Vinva Board
- Investment to be held within Magellan’s Associates business
- Serviced by Magellan’s highly regarded global distribution platform
- Vinva to retain its independence and autonomy
- Collaboration on new markets and product extensions

Strategic Rationale

- ✓ Strategic partnership represents the coming together of two culturally aligned businesses focused on delivering for clients. The 15 strong Vinva investment team has largely been working together for almost 30 years
- ✓ Vinva is a high-quality investment manager with strong long term investment performance and positive research & consultant ratings
- ✓ Significant growth potential with untapped capacity across existing and new investment strategies
- ✓ Continued strong alignment with Vinva team, which remains majority employee owned
- ✓ In line with Magellan’s strategy of investing in high quality teams with strong growth opportunity to diversify the business
- ✓ Upside from potential performance fees¹
- ✓ Diversification of revenue streams from distribution agreement with Magellan’s market-leading distribution team to domestic retail investors and global institutions and retail investors

- Investment returns added ~\$0.6 billion in FUM
- Institutional inflows of \$1.4bn in July 2024

Retail vs. Institutional FUM (30 June 2024)

[1] For full breakdown of net flows, investment performance and distributions by investment strategy see the Performance Overview in the FY24 Annual Report. [2] Totals may not add up due to rounding.

Quarterly Net Flows

Retail Flows (A\$ billion)

- Quarterly retail net outflows continue to improve
- Q3 FY24 retail outflows partly offset by exercise of MGF Options prior to expiry
- Expect increased outflows in Q1 FY25 following MGF conversion

Institutional Flows (A\$ billion)

- First positive quarter of net institutional inflows in over two years
- Q4 FY24 institutional inflows driven primarily by Infrastructure strategy

Global Equities Strategy

Strategy Update

- Appointed Arvid Streimann to newly created role, Head of Global Equities

Flows

- Retail outflows slowing quarter on quarter (excl. exercise of MGF Options in Q3 FY24)
- Net outflows of ~\$5.7 billion in FY24, ~\$3.2bn from institutional channel
- Magellan Global Fund's conversion to an open-ended structure has seen outflows of \$1.2 billion as at 13 August 2024

Performance

- Investment returns added ~\$2.8 billion of FUM
- Magellan Global Fund performance improving since portfolio management change in February 2022
- High Conviction and Global Opportunities delivered strong returns for the 12 months to 30 June 2024
- Majority of performance fees generated by Global Equities strategy, due to strong second half performance

Infrastructure Strategy

Strategy Update

- Two primary strategies, Select and Core, built on a strict definition of infrastructure
- Stable team with 5 portfolio managers who have worked together for the last 8 years

Flows

- Net outflows of ~\$0.5 billion in FY24
- Mixed flow profile over last two years, however, recent success with institutional client wins in FY24

Performance

- Performance challenged over medium-term, however, reasons for underperformance primarily a function of strict definition of infrastructure
- Portfolio of high-quality, relatively stable assets positions the business well to deliver strong investment returns over the long-term

Business Update

Andrew Formica | Executive Chairman

Our Business

Magellan is underpinned by our institutional grade platform

[1] Vinva economic interest of 29.5%; Barrenjoey economic interest of 36% (4.99% voting interest); FinClear economic interest of 16% excluding the impact of any potential dilution arising from unexercised issued options.

Distribution Update

Domestic Distribution

- Standout distribution platform servicing retail clients in Australia and New Zealand, and institutional clients within Australia
- Collaborative, highly experienced and tenured team with deep stakeholder relationships
- End-to-end coverage of retail service model with specialists to manage broker, research house and platform relationships
- Physical presence in all major Australian cities
- Well positioned to adapt and benefit from changing industry landscape given size, geographic coverage and connectivity

US Distribution

- US is a key growth market for Magellan given size, scale and existing US distribution infrastructure
- Recently announced refocused and enhanced US Distribution platform
- US platform capabilities reviewed and are now focused on enhancing the platform
- Exploring opportunities to invest in expanding the platform's capabilities further, including in the retail market
- Remains a work in progress, however, Magellan is committed to growing platform

Rest of World Distribution

- Highly regarded institutional distribution team with access to global investors and consultants across the US, Asia, UK, Europe, and the Middle East
- Established UCITS platform and product capability
- Experience assessing and closing opportunities and ensuring regulatory compliance
- Exploring opportunities to broaden and deepen client relationships in other countries

Magellan's distribution platform remains a key strength of the business with deep global relationships and a strong brand in which we will continue to invest in

Associates Business

- High quality, well regarded manager with significant capacity and strong performance
- Approximately \$22 billion of assets under management as at July 2024
- Highly profitable and will contribute after-tax profits to Magellan immediately (equity accounted)
- Significant growth potential across existing and new product globally
- Performance fee generation potential across strategies¹
- Strategic partnership with Magellan to accelerate Vinva's growth

- Profitable with FY24 NPAT of \$34.7m following record revenues up over 40%
- All key businesses established with revenue growth recorded across all business lines and particularly Fixed Income
- Disciplined cost management with operating expenses only up 4%
- Strong capital position – well-above minimum required with 4.89x at year-end
- Strong cash generation allowing all working capital facilities to be repaid
- Barrenjoey intends to commence paying dividends given the growth in earnings, cash generation and capital (subject to board approval).

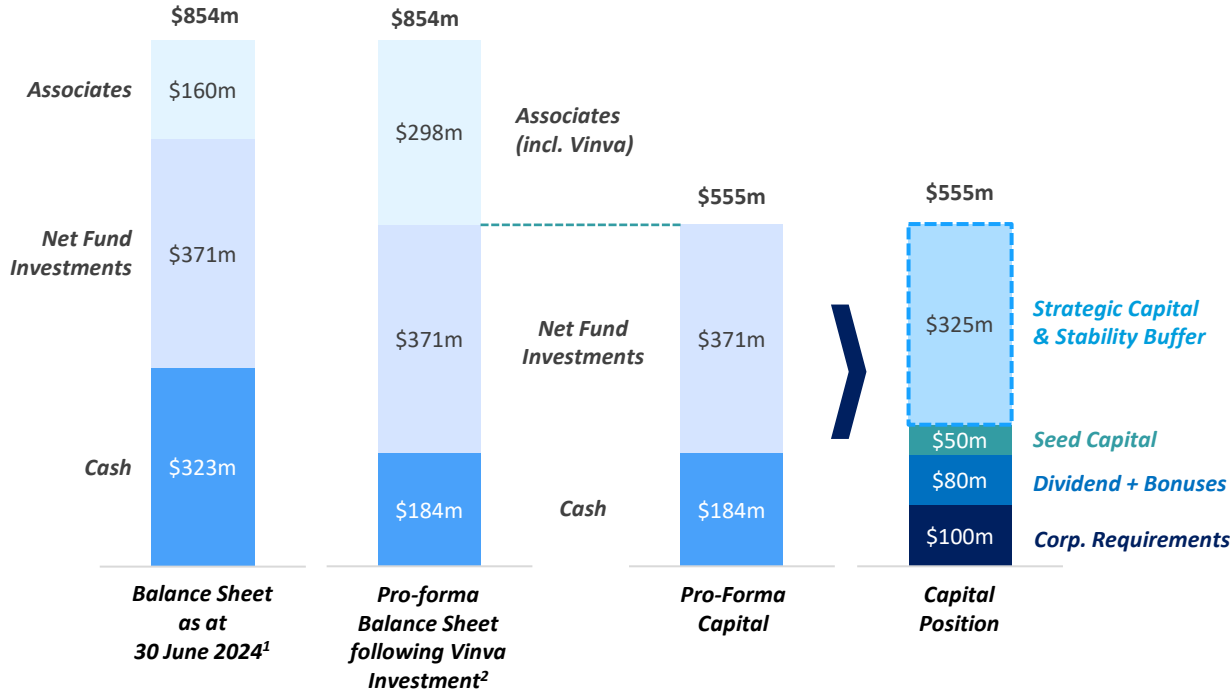

- Diverse client base with \$155 billion of underlying client assets
- Solid revenue growth from recovery in market volumes and new cash and FX solutions that meet the changing needs of brokers
- System rationalisation in June 2024 will deliver material cost efficiencies
- Strong capital position
- FCX expected to be fully operational H1 FY25 with a licenced trading, clearing and settlement venue for private companies and funds

Investments in high quality businesses, with significant growth potential

[1] Performance fees (if any) may fluctuate significantly from period to period

Capital Management Position

- Strategic Capital & Stability Buffer has protected the business from recent challenges
- Over time, anticipate a lower level of Stability Buffer will be required, as the business becomes more resilient and impacts of initiatives such as the Magellan Global Fund conversion dissipate
- Continue to have a strong dividend policy and recently extended buyback to April 2025
 - ~5 million shares bought back since inception
- Strategic investment in Vinva Investment Management, included in Associates
- Board continues to assess strategic growth opportunities, balanced with active review of capital management
 - Intend to update shareholders in February 2025

Actual outcomes could differ materially from those expected by Magellan and Magellan assumes no obligation to update any forward-looking statements or information.

To the maximum extent permitted by law, Magellan (including its directors, officers, employees, agents, associates, affiliates and advisers) ("Magellan Parties") disclaims and excludes all liability for any loss or damage suffered or incurred by any person as a result of their reliance on the information contained in this presentation or any errors in or omissions from this presentation. To the maximum extent permitted by law, no Magellan Party nor any other person accepts any liability, including without limitation, any liability arising from fault, negligence or lack of care, for any loss or damage arising from the use of this presentation or its contents or otherwise in connection with it.

The information in this presentation does not constitute financial product advice (nor investment, tax, accounting or legal advice) and does not take account of your individual investment objectives, including the merits and risks involved in an investment in shares or units in any entity or trust or your financial situation, taxation position or particular needs. You must not act on the basis of any matter contained in this presentation, but must make your own independent assessment, investigations and analysis of Magellan and obtain any professional advice you require, including financial, legal and taxation advice appropriate to your jurisdiction, before making an investment decision based on your investment objectives.

This presentation does not constitute an offer to sell or a solicitation of an offer to purchase any security or financial product or service and does not and will not form any part of any contract or commitment for the acquisition of any securities, financial products or services. This presentation is not a prospectus, disclosure document, product disclosure statement or other offering document under Australian law or the law of any other jurisdiction and does not contain all of the information which would be required in such a document.

Units in the Magellan funds referred to in this presentation are issued by Magellan Asset Management Limited (ABN 31 120 593 946, AFS Licence No 304 301). The Product Disclosure Statement and Target Market Determination applicable to each Magellan fund are available at www.magellangroup.com.au or can be obtained by calling +61 2 9235 4888.

Past performance is not necessarily indicative of future results and no person guarantees the performance of any security, financial product or service or the amount or timing of any return from it. There can be no assurance that the financial product or service will achieve any targeted returns, that asset allocations will be met or that the financial product or service will be able to implement its investment strategy and investment approach or achieve its investment objective.

The information contained in this Presentation must not be reproduced, used or disclosed, in whole or in part, without the prior written consent of Magellan.
