**About the Magellan Global Trust**

The Trust offers investors an opportunity to invest in a specialised and focused global equity fund that invests in the securities of companies listed on stock exchanges around the world and aims to deliver investors a cash distribution yield of 4% per annum. The Trust's portfolio will comprise between 15 to 35 stocks at any one time but will also have some exposure to cash. The primary objectives of the Trust are to achieve attractive risk-adjusted returns over the medium to long-term, while reducing the risk of permanent capital loss. The Trust may also manage its foreign currency exposure arising from investments in overseas markets.
