About the Airlie Australian Share Fund – Active ETF

The Fund's primary investment objective is to provide long-term capital growth and regular income through investment in Australian equities. The Airlie investment process assesses companies on four key criteria: financial strength, quality of the management team, quality of the business, and valuation. The Fund's portfolio will generally comprise 15 to 35 securities, with some exposure to cash.

 $^{^{1}}$ The total values of new unit issues and unit redemptions, and the difference between those values, reflects the price (exclusive of transaction costs) at which the units were issued and redeemed during the reporting month.

² Units on issue have been rounded down to the nearest whole number.
