#### **About Airlie Australian Share Fund**

The Fund's investment objective is to provide long-term capital growth and regular income through investment in Australian equities. The investment process is a conservative and robust process proven over the long-term and assesses companies on four key criteria; financial strength; business quality; quality of management; and valuation. The Fund typically holds between 15 and 35 quality Australian equities – Airlie's best ideas. The maximum cash holding is 10% with an aim to be fully invested.
