About the Magellan High Conviction Trust – Active ETF

The Trust’s investment objective is to achieve attractive risk-adjusted returns over the medium to long-term. The Trust seeks to invest in companies that have sustainable competitive advantages which translate into returns on capital in excess of their cost of capital for a sustained period of time. The Trust will typically comprise 10 to 20 investments, with some exposure to cash.

¹ The total values of new unit issues and unit redemptions, and the difference between those values, reflects the price (exclusive of transaction costs) at which the units were issued and redeemed during the reporting month.

² Units on issue have been rounded down to the nearest whole number.
